## SAFILO GLOSSARY OF ICONS

Clip-on		Frame which has a matching clip available.
Elasta® Spring Hinge		Patented Safilo hinge technology which provides superior lightweight comfort, flexibility and durability.
Flex/Spring Hinge		Hinge which keeps its initial balance and adjustment, thereby avoiding the need for subsequent adjustments.
Flexolite® Memory Metal		A uniquely blended alloy of titanium and nickel that is heated through a special vacuum process which gives it flexibility/memory.
Kids		Suitable for children.
Nickel-Free		Hypo-allergenic.
Nylon	<b>NYLON</b>	Frame containing nylon materials.
Polarized Lenses	<b>POL</b>	Lenses with an additional benefit of a polarized filter. Polarization reduces glare created by reflected light while enhancing color contrast, definition and depth perception.
Polycarbonate Lenses		Lenses are impact-resistant, lightweight and provide 100% UV protection. Polycarbonate lenses by Safilo also have a scratchproof coating and the curved lenses are tapered to eliminate prismatic deviation or distortion usually resulting from curved lenses.
Rxable	<b>R<sub>x</sub></b>	Sunglass frame which can be fitted for a prescription lens.
